FURNISHING[®]
COLLABORATION

An interactive must. The I.ROCK stool has been designed to promote dynamic and active seating. The optimal support surface and the rounded base allow the user to tilt and swivel in all directions while sitting. It is the perfect addition to any inter-active classroom, lab, waiting area and breakout zone.

I-ROCK-ADJ

HEIGHT ADJUSTABLE STOOL
L 31 P 31 H 40-53

The I.ROCK-ADJ stool allows the student not only to exploit the dynamic rocking motion but also to change the height at the push of a button. It is fantastic also for teachers especially when younger children are involved allowing both communication and comfort.
